

## e-delivery of shareholder documents

The benefits of electronic delivery (e-delivery) include access to important company documents in a convenient, timely and environmentally friendly manner, reducing printing and mailing costs. More than 25,000 of our shareholders receive their information by e-delivery.

### Registered shareholders

TELUS has partnered with eTree to allow registered shareholders the opportunity to receive the annual report and annual meeting materials through e-delivery. As a thank you for enrolling, TELUS and the Tree Canada Foundation plant a tree on your behalf.

To enrol, visit [eTree.ca/telus](http://eTree.ca/telus) and you will receive all annual report and proxy materials electronically. You will be notified by e-mail with a link to the website where documents are available.

### Beneficial shareholders

For shareholders who hold their shares with an investment dealer or financial institution, access [investordeliverycanada.com](http://investordeliverycanada.com) or contact your investment advisor to enrol for the convenient electronic delivery service.
