

2005

second quarter review & conference call
August 5, 2005

the future is friendly

forward-looking statements

This presentation and answers to questions contain forward-looking statements about expected future events including competition, labour relations including duration and impact of current strike, and financial and operating results that are subject to risks and uncertainties. TELUS' actual results, performance, or achievement could differ materially from those expressed or implied by such statements. For additional information on potential risk factors, see TELUS' 2004 Annual Information Form, and other filings with securities commissions in Canada and the United States.

TELUS disclaims any intention or obligation to update or revise any forward-looking statements, whether as a result of new information, future events or otherwise.
